the GRACE Music Experience

...a Heart Opening, Rockin', Inspirational & Devotional Music Experience!!

GRACE is an inspiring quartet from Northern Virginia back by popular demand.

The GRACE Experience: Donna Marie Cary Jones is a professional singer, songwriter & interfaith minister inspired by The Course in Miracles. With 6 CDs & a national following, Donna formed GRACE in 2006 to share the heart connecting experience of devotional group singing. The combination of guitar (**Donna**), auto-harp (**Sherri**), flute (**Darlene**) and African drum rhythm (**Tamara**) sets a musically rich tapestry led by Donna's artistry and ability to unfold a moving and memorable spirit-filled experience for each participant. Devotional Singing is prayer set to music to create opening of the heart and the connection to the Divine. Everyone is invited to join in song, rhythm and movement to inspirational verses melodically repeated. You cannot help but feel the life force within you rejoice and dance as the power of communal percussion reminds your body how wonderful movement feels!

You are invited to bring drums or other percussion instruments to join in the Celebration of Life
